

PEARLS OF WISDOM MONTHLY GIVING CLUB

"Dress for Success helped me to gain the strength
and confidence to take the next step."
-Toby Liederman, Professional Women's Group Member

Dress for Success Worldwide now offers donors access to the Pearls of Wisdom Monthly Giving Club, a group of passionate individuals who are committed to ensuring that we have consistent support to operate our programs throughout the year. Our monthly giving club offers a wide range of benefits to our dedicated and benevolent donors who help us succeed in our mission of creating economic independence for women around the world. This is an investment in the potential for thousands of women who are creating positive changes in their own lives, in the lives of their children and in the communities where they live and work!

The **Pearls of Wisdom Monthly Giving Club** offers donors a flexible and affordable way to support Dress for Success and its women throughout the year. In exchange for the continued support, donors will have recognition in the Dress for Success Worldwide annual report as well as access to a membership card with valuable discounts from various local restaurants, stores, and attractions. For convenience, monthly donors will also receive a year-end gift statement in January for tax purposes summarizing all of the donations made from the previous year.

Dress for Success will process your gift as a secure credit or debit card transaction during the last week of each month. You can change or cancel your monthly donation at any time by contacting Amy Nelson at amyn@dressforsuccess.org or by phone at 646.233.4944.
